Hi George,

The best price I can find for the .com/net/org on that is **\$27.64 x 4 yrs**. I do see the option for the .net/org/info at \$17 if purchasing the .com for \$8.19. Either way it works out to basically the same price. Please confirm if you would like me to proceed and if you would like me to include the .info **No "info**.

Did you want me to redirect americanweddingminister.com to americanmarriageministries.com now, even if it is not live yet? **If you can**.

I updated americanmarriageministries.org to point at ulc.org.

Sincerely,

Brook Barngrover

[americanweddingminister](#). (the package of (3) \$17.00)  
 redirect to -

1. [americanmarriageministries.com](#) (it is not live yet)
2. [.net-to-ulc.org](#)

3. **.org-to-themonastery.org**

---

We also own americanmarriageminister. com, org and net. currently they all redirect to themonastery.org.

I want (2) of them to redirect to-

1. americanmarriageministries.com (it is not live yet)
2. **.net-to-ulc.org**

Jake and [Namrata Jha](#), Insure we have the word ***American wedding minister*** included in the copy of our new site <http://developersserver.com/Projects/g1/george-galaxy/american-marriage/>

Jake and [Namrata Jha](#), above the photos on the main page change, "Ordained Ministers"-to-Wedding Ministers.

I'm thinking that we need to work the word "wedding minister" in our copy on all of our sites. George.
